SCOPE OF WORK FOR ANNUAL MAINTENANCE SERVICE CONTRACT FOR CAPITAL MAINTENANCE WORKS:

1.0 DESCRIPTION:

This scope covers the heavy duty maintenance works on various equipment to be executed by the contractor through his personnel deploying them in A/G shifts (as per requirement) in Capital Maintenance Department. The major maintenance shall be carried out on various equipment's overall Midhani as per the need and work assigned by in-charge of capital maintenance department. In addition to major maintenance works the contractor's men are also required to perform the following works.

- **Shifting of New/old equipment's.**
- **Indigenous development works/projects.**
- **New equipment erection & commissioning works.**
- **Modification works for solving recurring problems of production equipment's.**
- **Major Overhauls.**
- **Major Fabrication works.**
- **Safety related jobs.**

2.0 The works will be allotted by the Engineer in Charge of Capital Maintenance Dept. on an everyday basis. The contractor shall employ only qualified and experienced personnel for carrying out the works mentioned below. Depending upon the urgency and machine availability the actual works on the day may vary.

3.0 The contractor's workmen will be placed in the various shifts and actual number of workmen in a particular shift may vary per the requirement of maintenance works. In general the requirements are in A shift in all working days. In the event of urgent work all the workmen shall be prepared to continue another shift. However, the workmen may be required to work in any shift including G Shift as per work requirements. The workmen may be required to work on Sundays and Holidays in exceptional cases as required by the Engineer in Charge of Capital Maintenance.

4.0 The contractor needs to engage competent manpower with ITI and NAC having similar experience (minimum of 3 years) to carry out the work and maintain service quality.

5.0 SERVICE QUALITY, QUOTATION:

- 5.1 In order to maintain the service quality of maintenance as mentioned in scope, **the contractor is required to provide minimum 3 qualified skilled persons (2 fitters, 1 welder)** on all working days. It is the responsibility of the contractor to ensure deployment of man power daily as per the work requirement. The main factor to be considered is the least breakdown times of vital equipment.
- 5.2 All the parties are required to quote for the entire scope of execution of maintenance works as mentioned above at 1.0 calculating on monthly basis. **The quotation should be firm on monthly basis assuming deployment of 30 (26 working days+4 O.T's approx.) X 3 i.e. 90 man-shifts.** On Sundays and holidays only limited man-power will be deployed, if required. The quotation shall be for a period of one year. There shall be no change in terms and conditions of contract during this period.

6.0 REPORTING, PERFORMANCE & PAYMENT:

- 6.1 The contractor's workmen shall report engineer in charge of capital maintenance for day to day activities. The attendance of the contract workmen and the progress of work execution will be recorded.
- 6.2 If in any month, the job demands additional manpower w.r.t the estimated man-power to maintain the minimum service quality, as to be decided by Capital Maintenance in charge, the same has to be provided for which extra payment will be paid to the contractor as per the PO rate. Similarly, if there is any shortage of manpower in any month due to Sundays and holidays or failure of the contractor to supply minimum manpower on working days the deduction shall be made accordingly.
- 6.3 Basis of payment will be satisfactory completion of the works and deployment of man power as per the scope. Payment shall be made on monthly basis after submission of the bills for the works subject to satisfactory performance and certification by the Capital Maintenance in-charge.

7.0 GENERAL:

- 7.1 The tenderer must have minimum experience of one year in similar type of work in PSU'S /private organizations. Documentary proof for the same has to be provided along with the offer. No offer shall be accepted without this.
- 7.2 All interested parties are requested to visit MIDHANI, and assess the quantum of work before submitting their offer.
- 7.3 The successful contractor shall ensure compliance of contractual obligations as laid down in the General Terms and Conditions of the contract. EPF, ESI etc are to be provided to the workmen engaged for the work. The successful contractor also is expected to adhere to minimum wages act followed by MIDHANI.

- 7.4 The contractor shall ensure complete adherence of safety norms for their personnel during their work in Midhani. All safety precautions to be adhered to while carrying out the work. Safety of the contractor's workmen will be the responsibility of the contractor. Safety gadgets such as helmets, shoes, and masks etc shall be provided by the contractor. The workmen shall ensure that the breakers/main switches are switched off and cannot be switched on without their knowledge while working on the furnaces. Midhani shall be indemnified from any eventualities arising out of unsafe working conditions/practice concerning their workmen.
- 7.5 All spares including consumables like Oils, Grease, Cotton Waste, Hand Gloves, Diesel, welding electrodes, cables, insulation tapes etc. shall be supplied by Midhani. Welding Machine, gas cutting set with consumables will also be provided by Midhani.
- 7.6 The contractor shall engage only trained, qualified, experienced and skilled workmen conversant with maintenance work as per the scope. They shall take care of all personal safety aspects as well as equipment. If any workman is found to be unsuitable to carry out the works, the contractor shall replace the person with another suitable one.
- 7.7 The contractor shall arrange for police verification certificate in respect of antecedents of their workmen after receipt of the purchase order.
- 7.8 The contract will be for a period of one year from the date of issue of Purchase Order/ start of the work. After successful completion of the term, Midhani may extend the contract for one more term without any changes in terms & conditions of the contract.
- 7.9 In case the contractor does not carry out the contractual/statutory obligations or the services rendered by him are found to be unsatisfactory, Midhani reserves the right to terminate the contract. Midhani reserves the right to terminate the contract at any time with one month prior notice without assigning any reason.

 - c. Words imparting the singular only also include the plural and vice versa where the context requires. Words imparting the persons include firm and corporation and vice versa where the context requires.
 - d. 'CONTRACTOR' means the successful tenderer to whom the work is awarded.
2. The tenders should be valid for a minimum period of 3 months from the date of opening of the tenders. The rates should be quoted in both figures and words Erasers and corrections may be avoided. In case, it is unavoidable, the same may be done with full counter signature of the tenderer on such places.
 3. Quotation with vague and inconclusive expressions and not clear in all respects are liable to be rejected.
 4. Firmness of price: The quoted prices should be firm during the tenure of Contract / Purchase Order.
 5. Please confirm whether your firm / Company is registered as MSME unit under Single Point Registration Scheme of NSIC, Part-II of DIC, and if so please furnish proof of registration, without certificate, firm will not be considered as MSME.
 6. Acceptance of tender: MIDHANI reserves the right to accept or reject the whole or any part of the tender without assigning any reason whatsoever. MIDHANI may also enter into contract parallelly with other sub-contractors for the same job.
 7. The detailed scope of work / supply is given at Annexure.
 8. The required information about tenderer and other details are to be furnished as per Annexures.
 9. Negotiations are normally not held except in rare cases. Hence, the tenderer is advised to quote the lowest, competitive rate. Any voluntary Post-tender price reductions will render the quotation, liable for disqualification.
 10. The tenderer will be required to obtain the workmen compensation Policy covering the persons engaged by him and to give compensation as required under this Act in case of any accident in respect of the labour employed by him under this contract.
 11. Rejections: The order has to be executed as per scope of work. In case any material is rejected due to faulty workmanship, the cost of material as determined by MIDHANI would be recovered from the contractor. The contractor shall engage his own supervisor to supervise the work of his workmen during all the working periods.
 12. Taxes & Duties: As applicable, mention clearly. Otherwise offer will be considered as inclusive of all taxes & duties.

13. PAYMENT TERMS:

- a. Full payment will be made within 30 days after submission of certified bill for the job completed for each month, subject to compliance of clause no. 19.0 and other Terms & Conditions herein.
- b. The Contractor shall raise the bill for the work done once in a month.
- c. The Contractor shall attach support documents towards remittance of PF & ESI for the previous month in respect of workmen employed by him under the contract to enable Midhani to make the payment.
- d. However, the 1st bill will be submitted after completion of 2nd month along with the above documents pertaining to the 1st month.
- e. Contractor shall submit support documents for wage register, attendance duly authorized by indenter etc. Along with each bill.
- f. For late remittance of ESI, PF or both, penalty will be charged by deducting 5% of bill amount, from the corresponding bill or Security Deposit OR from any amount payable to contractor.**

14. EXECUTION OF WORK:

- a. The work shall commence on awarding the contract by MIDHANI. The work shall generally be carried out during 0700 hrs. and 2300 hours on working days. Written permission of MIDHANI has to be obtained for working before and beyond these hours.
- b. The contractor shall engage workmen competent to perform the allotted work.

15. DEDUCTIONS AND RECOVERIES:

- a. In the event of Contractor has executed unsatisfactory work or carelessly, recoveries will be made from the Contractor's bills or any other payments due to the contractor or Security Deposit as assessed by In-charge of the work. Decision of **A G M** of Midhani will be final in case of any dispute in this regard.
- b. MIDHANI shall recover the actual expenditure incurred to make good the-
 - Poor quality of work.
 - Damage caused to the neighbouring works, surrounding equipments.
 - Damage caused by him and / or persons employed by him either during the course of work or otherwise.
 - From any sums due or may become due from whatever source available in the event of contractor's failure / refusal to do so.
- c. In every case, in which by virtue of the provisions of Sec (12), sub section (1) of the Employee compensation Act, 2010, if MIDHANI is obliged to pay compensation to workmen employed by the Contractor in execution of the work under section-12, sub-section (2) of the said Act, MIDHANI shall be at liberty to recover such amount or any part thereof, by deducting it from the Security Deposit or from any sum due from MIDHANI to the Contractor (s) whether under the contract or otherwise.
- d. MIDHANI shall not be bound to contest any claim made against it under section 12, sub-section (1) of the said Act, except on the written request of the Contractor (s) and upon his / their giving to MIDHANI full security for all costs for which MIDHANI might become liable to pay in consequence of contesting such claim.
- e. The Contractor shall indemnify MIDHANI from all liability whatsoever under the Employee compensation Act, 2010 or otherwise in respect of any injury suffered by the staff employed by the Contractor including resultant death of his staff/worker.
- f. The Contractor shall indemnify Midhani other consequential treatment cost incurred.

16.COMPENSATION:

The Contractor shall pay compensation if he or his workers causes / cause loss or damage to MIDHANI's property in any manner. Alternatively MIDHANI reserves it's right to recover the said loss / amount from the contractor's bills or from any sum due or which may become due to the contractor or forfeit the Security Deposit. Appropriate - action including legal recoveries will be resorted to for effective recoveries taken to recover the compensation in the event of Contractor's fails to compensate within the stipulated time limit on demand.

17.SECURITY DEPOSIT:

The successful tenderer shall furnish to Midhani 10% of contract value by way of Bank guarantee / DD from a Nationalized Bank drawn in favour of MI9SHRA DHATU NIGAM LIMITED, Hyderabad., towards Security Deposit to be held by Midhani, valid for the contract period and also 3 months thereafter. The S.D. amount will be returned to the contractor on successful execution of the contract which shall be free of interest. Midhani shall be entitled to adjust from out of the said amount of Security Deposit any dues to the Midhani from the Contractor or his employees.

18.SECURITY:

- a. MIDHANI factory is under security arrangement. The entry / exit into / from the factory premises will be regulated by pass and in plant security checks will be carried out. The Contractor shall take notice of the above security restrictions and comply with the Security arrangements.
- b. The Contractor shall abide by the rules and regulations laid done by MIDHANI and other Security checks existing or may come in existence in future from time to time.
- c. The Contractor and his staff should follow the Security regulations of MIDHANI in force and as amended from time to time. Suitable action will be taken by Midhani including summary termination and / or penal and / or legal action for breach of these security regulations indulged in, by either the contractor or his staff and MIDHANI decision shall be final in this regard.
- d. The Contractor shall be held personally responsible for conduct of his staff and liable for consequential action in case of any misconduct or offence. The Contractor and his staff shall also come under the purview of the Laws of the State, Union and Defence rules and liable to be dealt with suitably in the event of infringement of any of these rules.
- e. The Contractor shall employ his supervisors for effective supervision' of his workmen and for proper execution of the work schedules allotted at his cost.

19.COMPLIANCE WITH ENACTMENTS :

The Contractor shall comply with provisions of the following Acts / Rules in addition to those mentioned herein:

- i. The contractor shall comply with all the provisions of Contract Labour (Regulation & Abolition) Act 1970.
- ii. The Tenderer is required to comply with the statutory requirements in relation to ESI and PF for the persons engaged by him to fulfil the contractual obligations. For this purpose, the Tenderer should have the ESI & PF establishment codes. Contractor should possess license under the provisions of the contract labour (regulation & abolition) Act 1970 issued by Regional Labour Commissioner (Central) and the license should be valid for the term of the contract.
- iii. The provisions of minimum wages act 1948 and payment of wages act 1936 shall be applicable to the workers of the contractor engaged by him for execution of the order and shall pay as per the minimum wages notified by the appropriate Govt. in the official Gazette from time to time and amendment thereof.
